

The Book Fair Is Coming!

This year's book fair will be from **Thursday, November 20—Tuesday, November 25** in **room 210**. The fair will be open at various times before, during, and after school for families to shop together. We are using Anderson's Book Fair Company which is associated with the independently-owned bookstores in Naperville and Downers Grove. All proceeds benefit the WCGS library and reading programs.

Students will have the opportunity to preview the fair with their classes on Thursday, November 20 or Friday, November 21 (kindergarten parents see note below). They will make a wish list to bring home and discuss with their parents. No money will be taken during the class preview time. Students who bring money will be allowed to buy books during the school day after they have previewed the fair, but we also encourage you to shop with your children during the before and after school hours or on Saturday.

We are making every effort to ensure that the books in our fair are appropriate for our Christian school community. With that in mind, please be aware that not every book listed on the attached flier will be available at the fair.

NOTE TO KINDERGARTEN PARENTS: Kindergarten students will not preview the fair with their classes. Please feel free to shop with your kindergarteners during any of the before or after school times.
